

OUR BATHROOM GOALS

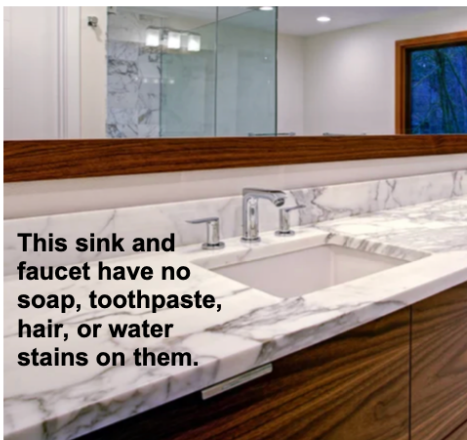

What to do:

If it is almost empty: Put a new paper towel roll on dispenser. Use remaining paper towels to clean rest of bathroom.

If lots of paper towels remain, use wipes to clean rest of bathroom.

Ask yourself:

Would the next person to use the bathroom be able to easily grab a paper towel without the roll being empty?

What to do:

Use wipes or paper towels with spray cleaner to clean counter.

Ask yourself:

Would Dad see a clean, shiny counter with no hair, spots, or stains?

What to do:

Use wipes or paper towels with spray cleaner to clean Toilet Seat and Top of Tank.

Ask yourself:

Would Mom think the seat and tank look spotless?

This toilet bowl, inside and out, has no stains. Under toilet rim is clear

What to do:

Use wand with a cleaning brush to clean toilet bowl.

Ask yourself:

Would Grandma see a toilet that looks clean inside and out?

This roll has enough paper for the next person to use. Toilet paper rolls are always on the holder.

What to do:

If the roll on the holder is low or empty, put a full roll on the holder.

Ask yourself:

Would the next person to use the bathroom have enough toilet paper and is it properly on the holder?

There is no hair, soap, or toothpaste in this sink.

What to do:

Use wipes or paper towels with spray cleaner to clean sink.

Ask yourself:

Would the sink look spotless to Mom with no hair, soap, or toothpaste?
